THIS WEEK IN THE PARISH

Reflection for the week

The account of Jesus’ temptation in the desert is filled with allusions and parallels to the Old Testament, including the story of the people of Israel. The Israelites spent 40 years wandering in the desert in Exodus, for example, and Jesus spends 40 days in the desert. As the Israelites were tempted during the Exodus, so too is Jesus tempted. Each temptation offers insight into both God and the human condition. Jesus’ rejection of the temptations shows that he will not put God to the test. Grounding himself on the word and authority of Scripture, Jesus rebukes the devil, confident in God’s protection and faithfulness.

As we start our journey through Lent, our Sunday readings call us to adopt the same confidence that Jesus had in the face of temptation: God’s word alone will suffice; God’s promise of protection can be trusted; God alone is God.
