PARISH OUTREACH, SOCIAL JUSTICE AND ECUMENISM

Development and Peace

What can we do to *Create a Climate of Change!*

D&P's new campaign asks us to take action on climate change by looking at our personal lifestyles. How could we reduce our carbon footprints? We could use less

water, make our homes more energy-efficient, drive less, carpool, use public transport, walk, and bike. We could choose local and organic foods, plant gardens, use fair trade options. We could reduce waste by buying less; we could re-use, repair, recycle and compost. By reducing our carbon emissions we will also be showing solidarity with the most poor and vulnerable in the Global South who are most affected by climate change.

Let's do our part!

Marriage Nullity

Why a Marriage Nullity Process?

Pope Francis teaches exactly what Christ taught: that marriage is indissoluble. It tells us that God wants us to love and be loved unconditionally, and that he made us capable of that kind of love. Pope Francis very prudently retains the principle that a marriage cannot be declared invalid unless it has been *proven* beyond a reasonable doubt. His concern is not to have more "annulments" regardless of the truth of the matter, but to eliminate any unnecessary, artificial, or unduly burdensome barriers toward obtaining a just and expeditious judgment. Working with a commission of experts, the Pope has

reformed the process in order to make it as accessible as possible, without in any way undermining the integrity of the process. The document he issued a few weeks ago contains a number of "tweaks" to the process [they become effective December 8th], with five major changes: new rules for tribunal competence; new requirements for tribunal personnel; the elimination of the requirement for an automatic appeal; a shorter and more streamlined process for certain rare and exceptional cases, and finally a change in the approach to recovering tribunal expenses. In the Victoria Diocese, if this Tribunal is competent to hear the case we do not charge for the process.

If you are a Catholic in a second marriage relationship, wishing to explore the possibility of having your second marriage recognized by the Church, I invite you to contact me or Moira Gill, at the Marriage Tribunal Office [1-4044 Nelthorpe St, 250-479-1331] so that we may assist you in your quest. *Fr John Laszczyk, Judicial Vicar*
