THIS WEEK IN THE PARISH

A few words from our Pastor:-

I had a good time in Edmonton. I got a chance to meet with some old friends and I was blessed to consult with some of my old professors for new reading material. Thankfully, being kept indoors because of the snow and the cold in Edmonton and in Victoria has allowed me more time for research and to study our faith.

Presently, I am occupied with preparing more material for our course on the early Church. It is fascinating to see how the Church has continually faced challenges from without and from within. It was precisely through her struggles that the Church listened to the call of the Holy Spirit and helped renew a desperate and weary world. Every now and again, we are given a snow day and we are given the choice of what to make of it.

God bless

Those who are ill.

Dorothy Bailey, Arnie Cavanagh, Wayne Carlson, Edmee Kearney, Ursula Lowe, Edvige Peluso, Ben Perri and Matilda “Tilly” Wilson.

For the deceased

Philip Dwyer, Robert Andrew Linsley, Jose Manuel de Lima, Joe Poelking and Dora Stienke.

Classes are such that anyone can join in throughout the course, classes are held on the 2nd and 4th Thursdays of February & March at 7:00pm in the Parish Hall.  
Course covers the history of the early Church through the missions of the Apostles Peter, Paul, and John as they journeyed from Jerusalem throughout the Roman Empire. We see how the Churches founded by these Apostles developed

their own theological and worship style and how this diversity laid the foundations for the Church of today.

The community generates all of its power from solar panels, including a greenhouse. The guiding principle for the project planning was based on the Seventh Generation, planning 100 years ahead.

For info & to reserve seat, please contact Marg Varga at 250-380-7355 or margaretvarga1@gmail.com. Space is limited, cost is \$8 per person.
