THIS WEEK IN THE PARISH

A few words from our Pastor:-

Happy Easter!

Christ is risen indeed! Easter is the most important celebration in the Christian year and the Resurrection that it commemorates is the central mystery of our Christian lives. We do not forget the reality of the Cross as Christ still bears his saving wounds, but when we celebrate the Resurrection, we acknowledge that sin and death do not define the reality of our lives. Therefore, we as a Church are the those from all walks of life who gather around the body of the Risen Lord offering our hearts to God and to each other.

To be a Christian is to live hopefully, joyfully and generously. Since God has given himself to us, we are confident to give him our whole selves. I am thankful to everyone that has given their time, talent, and treasure to make our Easter celebrations what they have been. I would also like to thank all those who regularly demonstrate their faith by consistently offering their presence and assistance to our faith community. Earlier this week, a parishioner remarked to me that whatever he has given, he has received in greater measure. I can only confirm that sentiment in my life. Everything that I "gave up" to follow Christ has been given one hundredfold. In other words, I do not need to wait until the end of life to see the joy of the Resurrection at work. I believe it because I have seen the wounds of life turned into glory. Therefore, regardless of the struggles that lay ahead, I know that my Redeemer lives and that my hope in him is secure.

God bless
