From the Diocesan Marriage Office

Are you aware that when a Catholic gets married, he or she must be married in front of a Catholic priest (deacon or bishop) and two witnesses?

This is called the Form of Marriage. If a Catholic does not get married in this way it is not recognized by the Church (unless a Dispensation from Form was requested of the local bishop through the pastor) and thus the Catholic party is to refrain from receiving the Eucharist until such time as this has been rectified.

You see, it has nothing to do with the location of the wedding but with the witnesses involved. Originally, this was done to provide for the safety of women who were being abandoned by men who refused to recognize their marriages. Today, while safety is no longer an issue, the law still pertains. It is important to note that non Catholic marriages performed in any legal manner are considered binding by the Church if the parties are free to marry.

If you are in a situation where you believe your marriage might not be presently recognized by the Church, give your pastor a shout and he will work things out with you.

If you have not been married previously to another person then there is no problem in solving this difficulty.

If you have been previously married, (or your spouse has been previously married) then he will simply have to work a little harder to resolve the situation.

Or, if you wish, contact the Marriage Tribunal in Victoria (250-479-1331 or mgill@rcdvictoria.org) and Moira Gill will be happy to assist you with the direction of Fr John Laszczyk.
