Development and Peace: Share Lent
Share Lent Pilgrimage – Building community in
Indonesia

The 3rd week of our pilgrimage finds us in Indonesia.
The word *kampung* has come to mean 'slum' in the local
language, but its original definition is 'community.'
Your support for Share Lent means that Try Mopurto, who
lives in a *kampung*, has been able to renovate his home
for his family, despite suffering from mental illness.
The community is coming together to support him and his
family. "My home is my heaven," he says, "because here
we feel the meaning of brotherhood in the social life of
the *kampung*."

The Share Lent collection:- March 13, Solidarity Sunday.
