A Note of Thanks

"A special thank-you to all who attended my farewell and birthday gathering.

I truly cherished the Franciscan fraternity, the St Joseph's friary chapel community and the Sacred Heart parish during my three years in Victoria. I have many great memories and nourishment to take to Alberta.

Feel free to come to Mount St. Francis in Cochrane, AB.

I ask for your prayers.

Please trust that you are in my prayers.

Much love and peace to you Friar Dan Gurnick, OFM"

Parish Advent Mission—Fr Philip Chircop

Monday, Sept 12 to Wednesday, Sept 14 at 7:00pm

Practicing Mercy Kissed by Mercy. Embraced by Love

Pope Francis announced an Extraordinary Jubilee of Mercy. It started on the feast of the Immaculate Conception, Dec 8, 2015, and ends on Nov 20, 2016, the feast of Christ the King. Hence mercy will be the focus of this parish retreat (mission).

It has been said that mercy is the capacity to enter the chaos of another, facilitating healing, wellness and wholeness in the process. In this parish mission we will explore what it means to believe in a God whose mercy is

fresh every morning and our call to practice mercy in all our encounters, on a daily basis.

Monday evening**Tending to the broken and wounded**

On this first evening we will turn our attention to the wounded and broken world we live in and how we are challenged to pay attention, drop our plans and agendas, and do what needs to be done to heal ourselves, the world and the planet. On this first evening we will consider the practices of seeing differently, becoming womb-like centers of concern and hospitality, and risking touch and radical engagement.

Tuesday evening**Acknowledging our lostness in order to be found**

On the second evening we will focus our energies on what it means and what it feels like to be lost and what it takes to return home into the loving embrace of the God whose other name is Mercy. Here we will talk about the practices of patience, exploration and celebration.

Wednesday evening**Returning to the source of our healing**

On the third and final evening we will explore what it is in our lives that separates us from community and what can we do to become whole again.

Here we will talk about the practices of self-expression, healthy relating to others, and the importance to keep returning to the source of our healing with a grateful heart.
