World Day of the Sick Sacrament of Anointing

Who receives the Sacrament?

From the Catechism of the Catholic Church

In case of grave illness....

1514 The Anointing of the Sick "is not a sacrament for those only who are at the point of death. Hence, as soon as anyone of the faithful begins to be in danger of death from sickness or old age, the fitting time for him to receive this sacrament has certainly already arrived."

1515 If a sick person who received this anointing recovers his health, he can in the case of another grave illness receive this sacrament again. If during the same illness the person's condition becomes more serious, the sacrament may be repeated. It is fitting to receive the Anointing of the Sick just prior to a serious operation. The same holds for the elderly whose frailty becomes more pronounced.

"let him call for the presbyters of the Church"

N.B: It would also be appropriate for all persons who have a medical or physical condition that has an adverse effect on their life to receive the Sacrament of Healing.

Eg. Mental illness, chemical dependencies, etc.
