

CHRISTMAS 2019

"The Christian event has the form of an encounter with a physical, bodily reality, one made of time and space. It is an encounter with a present, living, wholly human reality, whose exhaustive meaning is that of being a visible sign of Christ's presence, God-made-man within the precariousness of a human form. This encounter is what continually orients our life, imparting meaning and synthesis to our existence. Without it, there is no source of awareness of life's newness."

Msgr. Luigi Giussani +

As the world awaits even now
the Light announced by the Angels to the Shepherds,
it is our mission to announce that same redeeming Good News;
With the sublime awareness that
Christ our Savior is now among us,
giving meaning and hope to our lives,
let us rejoice and be glad.

My wishes to all of you, and your families,
for a joyful and blessed Christmas.
