

Victoria, BC MARCH *for* LIFE

This year's 12th Annual March for Life is an opportunity to walk together in solidarity for the sanctity of life. This is of profound importance in our time when euthanasia, assisted suicide, and abortion have become standard practices and accepted in the social and moral fabric of Canadian society. These increasingly acceptable social mores erode the sanctity of life that threatens not only human life itself but the freedom of conscience and religion in Canada, both of which are listed in the Canadian Charter of Rights and Freedoms. It is vitally important that we let our own voice be heard prophetically to all who would silence our cry for the respect and the preservation of life, especially on behalf of the weak and the vulnerable of our society.

Join the march in solidarity for the preservation of the right and freedom to celebrate and honour the sanctity of life in this year's 12th Annual March for Life.

SEE YOU THERE!
