

Dear parishioners of Sacred Heart,

You will read in the Bishop's new directive that, if prescribed conditions are met, the Parish Hall may be used to accommodate more parishioners to physically attend the Mass in the hall through a 'live video-feed'.

Please note that we currently do not have the necessary equipment and capability for a 'live video-feed' Mass in our Parish Hall at Sacred Heart.

It is in the initial stages of planning and will take some time for the normal process of gathering quotes, approval, installation, and testing before its implementation.

Registrations to attend Mass in the Parish Hall will not open until the complete installation of all necessary video and audio components in the church for the live-feed, and when we are confident that safety protocols and mandates directed by the Bishop and Dr. Henry can be adhered to in the layout, seating arrangement, and the management of traffic-flow in the Parish Hall.

****We are not accepting pre-registrations**** The registration date will be published as soon as all the above conditions are in place.

Your understanding and patience is much appreciated.
